

Thank you for choosing to visit us today! Our aim is to offer simple, tasty food in a relaxed, friendly atmosphere. Our focus is very much on good quality produce and excellent customer service and we are pleased to offer a range of Non-Gluten options.

If you are a Coeliac sufferer and/or highly sensitive to gluten please advise the person taking your order. We will do our very best to accommodate your requirements and ensure you can enjoy your food with peace of mind.

However, we are not a completely gluten-free establishment - so while we do have strict procedures in place, unfortunately we cannot guarantee that cross contamination will never occur. Our staff are trained to use separate cutting boards and knives etc, when preparing food for those who cannot eat gluten, but due to limited space in our kitchen, we are unable to have a separate, designated gluten-free zone or specific gluten free toasters machines etc.

It is very important to us that all of our customers leave The Joinery feeling happy and satisfied. If you enjoy your experience please tell your friends about it! If, however, your visit does not meet your expectations, please tell us - we value our customers and their opinions - they are what help us to improve. We look forward to welcoming you again soon!

Please ask our serving staff to advise you of any home-baking we have in our cabinet which is made with NGCI (Non-Gluten Containing Ingredients).

Additionally, we keep a supply of our homemade Gluten Free scones in the freezer. These can be warmed through to order and served with butter, jam and even some Cornish Clotted Cream.

We also stock a selection of Certified Gluten Free goodies from Scottish Specialist Food producer, Lazy Days.
