

Thank you for choosing to visit us today!

Our aim is to offer simple, tasty food in a relaxed, friendly atmosphere and our focus is very much on good quality produce and excellent customer service. All of our soups, scones, cakes and traybakes are made daily here on the premises, and all food and drinks are freshly prepared to order. Please bear this in mind during our busiest times....if you are in a hurry please tell us and we will do our best to accommodate you.

The safety of our customers and team remains our priority as we navigate our way through the Coronavirus pandemic. We politely ask that:

- you respect the personal space of our team and other customers at all times
- you order at the till and pay by card or contactless payment device where possible
- you make use of the hand sanitiser we have located at various points throughout the shop, including at the entrance door, on tables, beside the till and outside the toilets.

It is very important to us that all of our customers leave The Joinery feeling happy and satisfied. If you enjoy your experience please tell your friends about it! If, however, your visit does not meet your expectations, please tell us - we value our customers and their opinions - they are what help us to improve. I look forward to welcoming you again soon!
