Thank you for choosing to visit us today!

I took ownership of The Joinery back in November 2016 and am incredibly proud of what myself and my hardworking team have achieved since then.

Our aim is to offer simple, tasty food in a relaxed, friendly atmosphere ,and our focus is very much on good quality produce and excellent customer service. All of our soups, scones, cakes and traybakes are made daily here on the premises with the best of ingredients, and all food and drinks are freshly prepared to order.

Navigating our way through the Covid pandemic was certainly not easy, and like so many small businesses, the challenges continue for us. As we still deal with rising food costs, ongoing supply chain issues and escalating energy prices, we feel very fortunate still be here, but it is certainly a balancing act!

We are incredibly grateful for the support we get from our customers, and our Joinery Rewards Club enables us to give something back to our regulars. For every pound they spend they receive a point.....and these points can be used to redeem a range of goodies including free scones, traybakes, lunches...right up to 20% off a total bill. Please ask at the the counter if you would like to sign up.

It is of course very important to us that all of our customers leave The Joinery feeling happy and satisfied. If you enjoy your experience please tell your friends about it - and perhaps if you have time you could to write us a nice review on TripAdvisor or Google - we'd really appreciate it!

If, however, your visit does not meet your expectations, please tell do us - we value our customers and their opinions - they are what help us to improve. I look forward to welcoming you again soon!
